PDRp Radio is all about supporting radio stations around the world. It's a shop window for presenters and their shows, a place for us to stream stuff you may have forgotten and we're especially proud to be supporting and contributing to armed forces radio.

At PDRp the aim is something for everyone. Come for a ride with PDRp Radio on the Big Red Time Machine, bring a picnic - Buckle up and hold on tight as we go back in time.

That's exactly what we do .. We're a retro radio station playing the music from 50's, 60's, 70's and 80's. We may just bring back a few memories - Tell us about them for us to share (with your permission of course) on air.
