

Download Terms & Conditions

Any production on our website may (where we make it so available) be downloaded for personal use only. It is unlawful to broadcast publicly on radio or any other media and a possible infringement of copyright to do so without our written authorisation and the appropriate licence(s)

We shall first require sight as proof that you hold the appropriate licenses for the state or country in which they are or from which they are to be broadcast. Without proof of your full compliance with Broadcast/Copyright legislation in writing relating to the state or country in which or from which you wish to broadcast, any broadcast, adaptation or other use of any of our productions other than for sole personal use will be deemed by us as unlawful.

We cordially invite you to contact us direct..... www.papa-d.uk
