

Get the blues on your radio station....

- Backtracking is available to upload to your Radio Station every week. The size and type of your station is immaterial. Provided your radio station is fully licensed to stream this production. If you enjoy the 'Blues' this is for you and your listeners - and it's free.
- This service is non contractual, you may stop receiving this production you opted to stream at any time.
- Our upload service is totally free and confidential. You will not be subject to advertising by us. Your data will not be sold or made available to any other person, organisation or company.
- You will incur no fees / costs to us whatsoever.
- We are fully licensed to legally produce and upload our productions. These productions are available to be streamed on the internet radio, FM and any other broadcast radio platforms you may use.
- We make our productions available to subscribers every Thursday. Your chosen production(s) remain available for you to download for seven days. If you elect to, we shall notify you automatically by text that your selections are updated.
- We make your productions available to you from the PD Productions server. You simply download from the link we send to you each week.
- You may stream these productions as many times as you wish. Further, provided you are licensed to do so, you may make them downloadable.
- Our Backtracking' production is in mp3 format and is produced weekly in our Somerset UK studios. As a subscriber, you will receive a UK telephone number you may call us on and your personal email link should you have any difficulties or queries.

Let's get started..... Join our syndicators worldwide but first, choose the productions you wish to stream, remember it's all free there are NO hidden costs...

- Backtracking.
- Blues at 5.
- Listen to the Blues talking.
- Soul in Shades of Blue.
