

Irrespective of size or location of your radio station around the world, all of our productions are available to be uploaded to your station weekly, completely Free.. Join our worldwide community, Start here...

- Available free to all and every radio station around the world. The size and type of your station is immaterial. If you enjoy the 'Blues' this is for you and your listeners.
- This service is non contractual, you may stop receiving the productions you opted to stream at any time.
- Our upload service is totally free and confidential. You will not be subject to advertising by us. Your data will not be sold or made available to any other person, organisation or company. You will incur no fees / costs to us whatsoever.
- We are fully licensed to legally produce and upload our productions.
- These productions are available to be streamed on internet radio, FM and any other broadcast radio platforms you may use.
- We upload to subscribers every Thursday. Your chosen production(s) remain available for you to download for seven days. If you elect to, we shall notify you automatically by text that your selections have been uploaded.
- We upload your productions to you using 'We Transfer' software. You simply download from the link we send to you each week.
- You may stream these productions as many times as you wish. Further, provided you are licensed to do so, you may make them downloadable.
- Both the 'Listen to the Blues Talking' and 'Backtracking' productions are in mp3 format and are produced weekly in our Somerset UK studios. As a subscriber, you will receive a UK telephone number you may call us on and your personal email link should you have any difficulties or queries.
