**GET 'JUST THE BLUES TALKING' ON YOUR RADIO STATION – FREE ...** Listen to the Blues Talking as we go back in time as far as 1929 and up to the present day making all the stops along the way.

### **Who are we?**

PD Productions is a radio station and media production company specialising in 'Classic Blues' ... From our archive of some 36,000 tracks, you can be sure of some fantastic shows. Our Company was created in 2012.

We are a relatively small company (Just 7 people) which means, more than anything else, we offer you a personal service.

### **What does it cost?**

The big question with a very short answer... To you: nothing! There are no hidden costs or catches. We generate our revenue by production sponsorship and commercial advertising in other media directions.

### **How does it work?**

We are fully licensed to produce the copyrighted productions listed. Produced weekly in our own studios, these productions would be uploaded to you every Thursday using digital transfer software ('We Transfer') in digital MP3 format. All we need from you is an email address for us to transfer to. This service is non-contractual on your part. You may stop this service at any time.

### **What we ask of you...**

Naturally, it is essential that we protect you and your radio station from any legal, copyright implications. For that reason, we may ask you for details of your licensing documentation for the state and/or country in which you broadcast.

### **About 'Listen to Just the Blues Talking'...**

Listen to Just the Blues Talking' – Exactly 60 minutes playing 'Blues' from our archive of approximately 36,000 tracks, going back as far as 1929 and up to the latest releases. Including features such as 'The Double play; 'Requests from listeners; 'Gospel Blues Track
